## **NORTH HIGH SCHOOL—A MONUMENT OF MEMORIES . . .**

### **Foreword**

"Light" was one of the first words uttered by God in the act of creation. In this creation of the 1960 North High yearbook, "Light" is the unifying theme and deserves first mention over any other word. Thus, light is the essence of this "foreword" spoken by this year's Memory Book staff. Certainly not a product of scholars, this yearbook will not educate, but will merely reflect a year's activities that progressed in the light shed from the "lamp of learning."

Each departure means another attainment.

... TO GRADUATES

Each arrival—one more endeavor.

"Flippo" spells buffoonery for North's half time show.

A montage of foreign scenery, varicolored books . . .

Besides scholastic life at North High,  
Social life springs early from  
Well-organized groups  
That incite great enthusiasm in  
Novel fields or that lends  
Service to a needy community to  
Balance out vibrant youth's curiosity.

... and printers' ink all build North's extra curriculars.

## THERE THE LAMP OF LEARNING IS FANNED. WHERE?

At a desk hearing a competent teacher,  
At a blackboard erasing the second error sadly,  
At a bookshelf selecting collateral,  
At a table pooling knowledge.

## WHEN MUSIC RESOUNDS, HEART STRINGS RESPOND:

\ \_\_\_\_\_ e team  
 \ \_\_\_\_\_ I lit my lamp beside the golden door  
 \ \_\_\_\_\_ algie flutter at \_\_\_\_\_  
 With a groan at squeaks from practice room

"Take a letter Mrs. Kunkler," is a routine request from Principal Edgar W. House.

## PRINCIPAL'S OFFICE

A gigantic job of organizing, scheduling and correspondence is in the capable hands of Edgar W. House, principal of North High School. With the help of Mrs. Mary Jo Kunkler, he keeps North's school system running smoothly. Have you ever realized that every major decision or policy originates from the main office?

Mr. House conveys his matter clearly.

## MAIN OFFICE REGULATES NORTH'S PROSPECTUS

At last we're almost finished with those records.

## VICE-PRINCIPAL'S OFFICE

His favorite is Dixon's "Ticonderoga."

Records of pupil credits, appointments for students with problems, and phone calls from concerned parents all flood copiously into the school building's regulator. Secretaries' typing and administrators' conferences disseminate information to faculty and students who rely on the school building's regulator. The main office force remains over the summer to give prospects of a new year an orderly start toward another high school career.

## ATTENDANCE AND FINANCE

Mr. Raymond Budd, in charge of all attendance records.

Business Manager—Mr. Carroll Woodruff's office.

Mr. Raymond Budd, in charge of all attendance records, has a staff of approximately 25 men working under him and Mr. Carroll Woodruff in charge of all financial transactions. A staff of about 10 men, a question often asked by Mr. Budd pertains to student excuses, absence, and tardiness. Being business manager, "Woody" handles all monthly accounts and business matters. This includes the sale of tickets, records of club treasuries and many trips to the bank. Every club treasurer deals with Mr. Woodruff in room 103.

## CO-ORDINATION AND COUNSELING

Three people necessary to the North High student body are Miss Meta Gregg, student activities coordinator; Miss Mabel Haynes and Mr. Milton Byerly, guidance counselors. Miss Gregg supervises the radio department, coordinates student activities and is advisor for school assemblies. Miss Haynes spends full time on guidance while Mr. Byerly shares his time between guidance and student council advisor.

Miss Gregg says, "Start the chimes!"

That's your vocation, Sherry.

Mr. Byerly O K's it

Students give teachers homework when schedules are due!

## Faculty engages in mutual work and play.

and faculty stalks up the river!

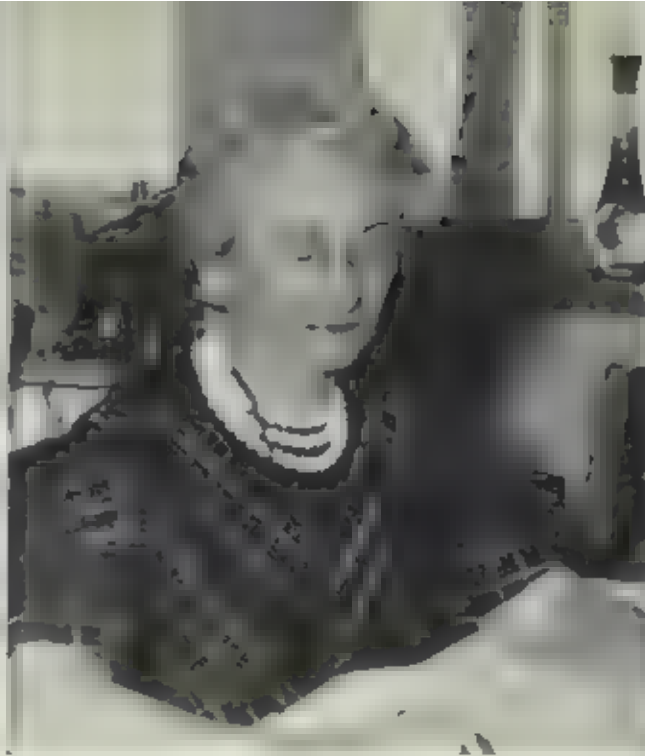

Besides instruction, a teacher's out-of-class activities vary from running movie projectors to traveling with the debate team. In school home-room activities, are almost each instructor. Men, teachers participate in the Faculty-Reserve basketball game and weekly bowling sessions.

At graduation a Senior realizes a well awarded goal of four years of difficult study amounting to sixteen or more required credits. Along with required credits in English, history, science, and mathematics he has been able to pursue his interests. Art, drama, journalism and speech or debate exemplify these electives. Physical education is required along with studies to make one a better man and both mentally and physically.

Dear to most seniors is the class ring. The sign of past accomplishments and future challenges, the shield with the letter N on it is significant of a graduate going forth into the battle of life with his education to guard him. If each senior uses his education as a guard to meet future struggles, he and his fellow man will be victorious. A memento of the past, the ring is still a beacon of the future lighting youth's path with the lights of learning

1960—a year of rockets to the moon and election of a new president, it shows scientific advances and political change. Education nearly always is the seat of progress and the foundation for government. The future of our country being in the hands of youth, will be guided in part by such as these 507 graduates. With experience and education behind them, they can draw from a backlog of knowledge to determine the course of their careers.

The last event at North for the class of 1960 was the basketball tournament game with Middletown that North took honors for and then went on to become co-champions in the state in 1958. The year 1959 witnessed the final exam cancellations, the final exams which were canceled. The year 1960 brought the biggest thrill of all: at last the sophomores of 1958 had become the seniors of 1960 and along with it the renewal of Career Week.

Many everlasting friendships have been established among this senior class. Everyone is going separate ways, but no one will ever quite forget the multitude of fun and friends that have been left behind. True friendship is never lost. ## ADVANCED ART CLASS

The Commercial Art Club is a preparation for commercial art work after graduation. As a service to the school, the club does the advertising on study hall blackboards, posters for dances and club functions, cartoons for the Polaris, and other designs. Out of this group come art scholars, after training by Miss Elizabeth Abernathy, the teacher.

Early training may prepare her for a career in fine arts

Since August, Mr. James Rhodes, of the Cambridge branch wrote Mr. Dean, Treasurer, and Mr. C. Allen, Librarian, of the Boston Book Club, to inform all members of the new union library policy. Books are now reported to the Book Club directly to the Librarian of the school library. This is to avoid the double book.

## FUTURE TEACHERS OF AMERICA

Many skits and papers directed toward the future profession are the main program of the Future Teachers of America. Mrs. Frances DeVries, director, leads groups of members of chapter to work on school projects. At Christmas the group gives stuffed animals to the poor, and at Christmas gifts are donated to the hospital. Twice a year the Future Teachers visit the schools of the area and of the next to see how they learn, school subjects.

# FUTURE TEACHERS OF AMERICA

Local schools welcome these aspiring teaching professors to discuss and inspire their future careers. Every year after Christmas, a large barrel in North's main hall collects cars to be given to children.

## COMITIA LATINA

Pleasurable learning about the Romans and their civilization is the purpose of Comitia Latina Club meetings. All tenth grade Latin students attend the meetings held on each first Tuesday with Miss Rowland as advisor.

Since there is not sufficient time in class for the discussion of Roman customs, the Christmas Party adds to the variety of the year's program with the reading of "The Night Before Christmas" in Latin.

# POLARIS

Carolyn Rausch puts up dummy to Sandy Williams and Evelyn Lewis

It's Polaris delivery time!

The news; our morning, noon, and evening cry; day after day repeats it till we die." But our dummies, writing stories, and meeting deadlines kept the Polaris staff on their toes throughout the year. "Use this picture," or "I think it looks better over there," were common words when it came time to prepare the final dummy. Many times there was a problem of timing news so the dummy would be at press before the deadline.

Candles, pancakes and 8:00 rehearsals were all very familiar to the North High School Senior Choir. Besides singing at several churches; Broad Street Presbyterian, North Broadway Methodist, the one-hundred voice chorus sang at the North High School Spring Concert and the All City Christmas Festival at Central High School. Christmas candlelight brightened the processional and caroling in the halls. The highlight of the chorus's short life came early in the school year when they combined with West High School to sing "The Song of Democracy" for the Ohio Music Education Convention at Mereson Auditorium. Doctor Fredrick Fennel, noted musician, conducted the chorus and All-State Orchestra. An all time first was singing for the June graduation.

also reported by students as being  
the best. Mr. Lesie has been reported to the  
state conference as a right example  
of a good teacher and principal. The  
board reported the best of the  
year, and the principal reported the  
best of the year. The principal reported the

## TORCHBEARERS

The Torchbearers' North American tour was a success in the face of the general feeling of apathy and indifference. Perhaps the success of the presentation was due to the fact that the women fully understood the battle has been a very positive one.

Polar Bears for 1959 were a team with fighting spirit, but they were hindered by injuries and a lack of experience. The resemblance to last year's squad was small previously the plays were run from a T, whereas this year a slot-back offense was used. The starting backfield was composed mostly of seniors. The juniors and sophomores added good bench strength. The team sported many good players with three seniors as standouts.

Votes for the most valuable player and team captain went to Dick Nance and Bruce King respectively. These boys were also selected by the coaches of the city to be members of the all-city team. Carl Betts received honorable mention.

Team and crowd, always eager to win, still received the frown of Lady Luck five times. The team enjoyed wins over Central, South, and Marion-Franklin. The

season end found the team winning 3, tying 1, losing 5. Three of the losses being non-league games. Even though the team did not win the city league crown, spirit reigned champion.

Bruins can look forward to a successful season each year under the excellent instruction of coach Hindman and his assistants. Credit is also due to the unheralded managers.

Referee obstructs view, as Northmen stop Linden Panthers

The season was opened by losses to two strong out-of-town teams—Lima and Springfield. In the next game the boys took up the fight as they passed Tom Rick Nye to George Hite, climaxing a 76-yard drive. North claimed its first win of the season by mauling a Marion-Franklin team 38 to 8.

One of the outstanding plays of the game was a lineman's dream in which tackle Bruce King crashed into the line, became passer at the ball and rolled his way over for a touchdown. The homecoming game was somewhat spoiled as a riled Linden team shut the Bears out by a score of 20-0.

North bounced back to take decisions over South and Central. Dick Nance intercepted a pass and sprinted 76 yards to score for the second time of the evening to lead North to a 12 to 6 win over South. Central was downed 31 to 16 for the second win with Carl Betts smashing across for three touchdowns. The West Cowboys took the decision in a close 22 to 20 over the Bears in the last league game of the year. Jim Baldini, Rick Nye, and Dick Nance were the three players who scored for North during the bitter cold evening. In the final game of the season the Polar Bears were stopped by a strong Middletown passing attack by a score of 44 to 21. Senior Carl Betts scored twice and Dick Nance scored once to end their football career at North High School.

# BAND GETS EXERCISE, EXPERIENCE, PUBLICITY

"Know your music—pick up your feet—turn your corners square and drive, drive, drive!" were familiar words to the Post Point Band Marching Band by its first captain, the majorettes. During summer practices and early morning rehearsals, these words proved to be worthwhile when the final performance took place. Fifteen lively and colorful minutes were in store for half-time reviews.

"T E-A-M," yelled six spirited girls dressed in maroon uniforms with gold "N's." After hours of practicing formations and cheers, here they were at last leading the colorful crowd in victory chants. The cheerleaders, both varsity and reserve, contributed the fire and spunk to bring the crowd alive. The team could always depend upon the presence of the cheerleaders to shout for the victory.

Come on—yell!

Polar Bear cage crew for 1959 and 60 season averaged season record of 10 wins and 2 losses. The Bears ended their season 4th place in the city league. Cold there is a lot to be made story. A large amount of sand went into the task of keeping the arena clean. All players into a line. Great effort that sand belongs to Coach Joe Weirich.

"Hey, throw it over the plate!"

A pitch, a cr-r-ack and a catcher's out of a job!

Warm-up time tunes up reflexes.

## "STRENGTH ALONE . .

New coach Mr. Richard Eaton took over the leadership of the 1960 baseball squad and coached them to a successful season. Eleven returning players from last year's squad lent the muscle and experience to mold the team into a game-winning machine. Skill, co-operation, and good sportsmanship were outstanding factors in the success of this year's team.

## 103 STAFF AND 104 STAFF

"The use of money is all the advantage of having it." The financial nucleus of North High School is Room 103 or "Wookey's office." Staff members assist in selling sport tickets, determining student sports capabilities and counting money of various sources like school clubs.

The absent are never without fault, nor the present without excuse. 'Collecting, typing and distributing absence slips, answering the telephone, taking those familiar "Report to the office" slips to students and many other jobs occupy the time of girls working in 104

What would North High School do without student directories, play programs, daily bulletins, and sport programs? How would teachers ever find time to run off tests and study guides? Besides supplying the school with these conveniences the Special Service department publishes the "Dutch Door" a monthly news sheet directed toward faculty members
